## Rules & Regulations of Foreign Jurisdictions

Copies of current foreign rules and/ or regulations must be made available to your patrons who do not have immediate access to this information on-line.

Please note that any changes to these rules and regulations must be submitted to an Agency Officer at your race track, and communicated to the betting public.

## Summary of the Differences in Regulations

The summary of the differences between the network host's pari-mutuel rules and the Canadian Pari-Mutuel Betting Supervision Regulations shall be posted on information boards in all pari-mutuel betting areas and likewise presented to telephone and account holders, and at theatre betting sites, for a minimum 30 days. After this time they will be available on request and posted electronically.

The following notice shall be posted on information boards in all pari-mutuel betting areas and likewise presented to telephone and account holders, and at theatre betting sites, on a continuing basis:

### Notice

*This event commingles pools directly with the host track whose pari-mutuel rules affect wagers placed in Canada. See [www.flamborodowns.com](http://www.flamborodowns.com) for links to the host.*

**Teller Cancel Delay:** *Some jurisdictions participating in foreign pari-mutuel pools may offer what is called a "Teller Cancel Delay." This practice permits tellers to cancel a bet up to 10 seconds after the start of a race. The purpose of the teller cancel delay is to allow tellers to cancel mis-issued bets, but has the effect of delaying the transmission of final pari-mutuel pools which in turn delays the posting of final odds. Should a significant cancellation occur, payouts on winning bets may be affected.*

## Exchange Rate

The host track will use the exchange rate as quoted by the Bank of Canada at noon on the day immediately preceding the day on which the post time of the first race of the racing card is scheduled.

In closing, please refer to your submitted calendars for specific dates and times approved. Also, let me remind you that all requests to amend this approval must be submitted and confirmed in writing. I wish you well in this new endeavor.

Yours truly,

Tim Pettipas  
Executive Director
