Most Probable Winner  
Race 4 – 1 MONTECARLOMUSCLES

Good Luck With  
Your Wagering Selections

## Race 1 Selections 1-7-3-2

**1 TAYDERTOTZZ** has been racing consistently well so far in her career and she has the gate speed to be a big threat to grab her 4<sup>th</sup> win in just 8 races.

**7 GROOVIN WITH U** was a dominant winner here on a sloppy track last race and now has wins in 2 of her last 3. She moves up a level for this race.

**3 MACHARITA** does not leave much, but has been able to consistently close to finish 3<sup>rd</sup>.

## Race 2 Selections 1-4-5-6

**1 GIFTED GLIDER** beat up this field last race and now has 2 comfortable margins win in his last 3 races. He won his last off the front end and likely is going to fire hard from the inside here today. The one to beat!

**4 IMPRESSIVELY DONE** has made the Tri in 4 of her last 5 races and should be in the hunt here.

**5 POWER AND GRACE** is having a fine year and her last two races look real good. She is a win threat as well.

## Race 3 Selections 4-5-3-2

**4 THE JOY LUCK CLUB** has flashed plenty of ability here during her last 5 races. She was not as good last race on the sloppy track though.

**5 SODWANA BAY** has made the top two in 26 of 39 races this year and is racing top shelf right now.

**3 CASINO CLASSIC** is a must use on the top three and should have a shot to win again today.

**S Coulter choice of 1 or 3.**

## Race 4 Selections 1-4-3-2

**1 MONTECARLOMUSCLES** looks due for a win. He has finished a runner up in 3 straight, including 2 close ones. I expect him to have a big chance to break through and finally gets his first career win.

**4 DESERT VALLEY** shows enough recent form to possibly move up and get her first top two finish.

**3 DEAR BOYS GIRL** raced better here last race and should be able to build on that one and finish in the top three.

## Race 5 Selections 6-1-3-4

**6 SAULSBROOK CORAL** did not fare well last race, disappointing as the fave. She raced so well here before that last race that I expect a big bounce back.

**1 DING** has gate speed and the inside post. She shows excellent current form and may well wire this field.

**3 STRYKING DOVE** was good here in back to back races recently before faltering from pp8 Nov 24<sup>th</sup>.

**Travis Henry choice of 3 or 6 – Br MacDonald 4 or 7.**

## Race 6 Selections 3-1-7-4

**3 A J CASH** has won only once in 13 races, but he definitely looks due for another win. He now has finished a runner up in 4 straight. I think he breaks through a win today.

**1 HARLOT SEELSTER** has good gate speed and should be in the hunt from the inside.

**7 TUXEDO** moves up a level today off a win, but the outside post is likely to limit his chances at the win.

**C Kelly choice 4 or 7.**

## Race 7 Selections 2-6-8-1-7

**2 SAVYS RACER** shows improving form and this field has earned only 1 win in 62 starts. This mare has the post and recent form to win here today. She finished her last mile strongly as well.

**6 BLOCK PARTY STYLE** seems like the most logical threat to my top one based on her solid 2<sup>nd</sup> last time out.

**8 THECROWDISWATCHING** has flashed ability at times, but has been inconsistent and has the worst post.

## Race 8 Selections 1-5-2-3

**1 WAR FILLY** drops in class and gets the inside post. She did earned back to back runner up finishes recently before her tough last two races.

**5 CHOOSE MY JET** is also moving down. His last two were not good at all, but she shows a 1:55-2 3<sup>rd</sup> here 3 races ago.

**2 NORTHERN LAUREN** faced tougher last race and did not fit. She has won 7 of 28 this year and moves back down.

**Travis Henry choice of 2 or 7 – Br MacDonald 3 or 6.**

## Race 9 Selections 1-4-6-7

**1 HP SISSY** battled well last race and once again has the inside post. She is capable of better yet and if she races to her ability should be the one to beat.

**4 UPTOWN WOMAN** has had many real good starts lately. Her last one was a tough trip. She belongs on the Tri.

**6 MOLLIE Z TAM** was able to win from off the pace last race on a tiring track. She fits with the top three here.

**J Harris choice of 2 or 7 – Travis Henry 4 or 6.**

## Race 10 Selections 3-8-2-5-1

**3 LEGEND WITHIN** will get my nod based on recent form and the poor draw of my 2<sup>nd</sup> choice. This guy has raced well each one of his last 5 races here. His only poor race in his last 6 came in his lone start at Mohawk during that span.

**8 SHOTGUN SALLY** was an impressive winner last race and should still garner respect here even from post 8.

**2 BASTIANO** is a talented one, but his last race was not good and then he missed a start due to sickness.
