Most Probable Winner  
Race 7 – 1 BOOMBOOM BALLYKEEL

Good Luck With  
Your Wagering Selections

## Race 1 Selections 6-9-4-1

**6 DAISY RIVER** stands out in this field. There is little in the way of current form in this field, and this filly comes into this one off back to back wins and 5 straight top threes.  
**9 KIMKO KID** was going real well in October at London, but since then things have gone awry. He might rebound.  
**4 MAJESTIC WANDA** has been inconsistent, but can grab a share on her best effort.  
**J Ryan choice of 1 or 8 – R Shepherd 6 or 9.**

## Race 6 Selections 4-2-6-5

**4 BET ON ART** bounced back with a strong one last race and gets another try in this class. He races for a top barn and could build on that 2<sup>nd</sup> place finish.  
**2 GO MUD** won in this class two races ago, but then was claimed and tried Mohawk. That didn't work well at all.  
**6 DONT TELL TERRY** is winless this year, but raced better last start and might make the Tri in back to back starts.  
**Travis Henry choice of 1 or 4 – P Mackenzie 5 or 8.**

## Race 2 Selections 5-3-4-1

**5 TOOT TOOT** has won 12 times this year, including back to back wins here before a tough outing at Mohawk last race. I expect he will rebound strongly here today. Both of those wins came in this class.  
**3 IMSPORTY** has finished a runner up in this class in 3 straight and might be a good play to make it 4 consecutive.  
**4 DRUNKONAPLANE** was outstanding here in each of his last two, both wide margin wins. Now moves up.

## Race 7 Selections 1-7-8-9

**1 BOOMBOOM BALLYKEEL** has a ton of back class and is helped by the poor draw of my next two. He drops further in class today and is likely to be real tough in this class.  
**7 DON MCWHITE** parked every step last race and understandably did not fare well. He is a win threat with a better trip even from this post.  
**8 LETS WAIT AND SEE** drops well down. Rebound!  
**J Harris choice of 3 or 7 – J Drury 5 or 6.**

## Race 3 Selections 4-5-7-1

**4 BACKYARD SWAGGER** dropped to this level last race and was a sharp winner. He was able to make the front from post 7 and still have enough left to get the job done. He races for a top barn and may repeat.  
**5 SHIFTY LEO** drops today and shows enough previous form to be a strong player in this class.  
**7 RMX ALLSTAR** was able to overcome post 8 and a parked trip here 2 races ago to finish 2<sup>nd</sup> and was 2<sup>nd</sup> last start also.

## Race 8 Selections 2-3-9-8

**2 TEST RIDE** has been better of late after falling off form for a while. He has won 8 times this year and, based on recent form, should be a player for the win.  
**3 PUDDIN PIE** is racing solidly right now and off 4 straight top three finishes looks like the most likely one here to possibly derail my top choice.  
**9 BEARLY A SECRET** was able to close a lot of ground last race and may overcome the trailer post.

## Race 4 Selections 3-5-2-6

**3 SOS MESMERIZE** led a long way here last race before getting caught late and finishing 2<sup>nd</sup>. She has looked good often here during her last 6 here.  
**5 PRINCESS JULIAN** won in this class last race as a longshot, but did race quite well. Maybe she can be sharp again today.  
**2 GLIDING SENORITA** should be a top three factor.  
**S Coulter choice of 1 or 4.**

## Race 9 Selections 3-4-7-2

**3 ROUGH TRADE** will get the nod here in a field that shows little in the way of current form. This guy has finished 3<sup>rd</sup> in three straight starts and might break through and win.  
**4 TWILIGHT ZONE** did manage back to back runner up finishes in this class not that long ago and he bounce back and be better today than his last two starts.  
**7 COMEONANDGETSOME** is probably a reasonable pick for a minor share.

## Race 5 Selections 1-6-7-4

**1 PAR INTENDED** was a solid 2<sup>nd</sup> in this class in each of his last two races. Both horses that beat him have moved up and he gets the inside post. I think he should break through and win for a 9<sup>th</sup> time this year.  
**6 ROSE RUN QUEST** was right behind my top pick last race and may well be again here today.  
**7 PAULY WALLY** races for a hot barn and drops from Mohawk for this race. He can be a top three despite pp7.

## Race 10 Selections 4-3-7-1-2

**4 MR BIG W** was solid here last race and is back in the same class. The one that beat him has drawn post 7 and that my limit that one's effectiveness.  
**3 DANCINAT MIDLAND** was beaten only 3/4s of a length in this class last race and should be in the hunt.  
**7 BRUNOS FROM MARS** was good in each of his last two races here in this class, but the post makes it tougher. Still, he is capable of winning so don't overlook him.
