Most Probable Winner
Race 4 – 3 KINGOFBROKENHEARTS

Race 1 Selections 2-3-4-5

2 NEON LIGHTS was not good last start at Wdb, but shows some form there before that one and compares well in terms of overall speed. I think he fits well here.

3 ALLIES GIFT managed 3 straight runner up finishes here before trying the Pref 3 class last race to no avail. Drops!

4 EXCELLENCE has some back class and now moves down and should be able to rebound and contend.

S Coulter choice of 1 or 2.

Race 2 Selections 3-2-5-7

3 APRIL ROSE won by a wide margin last race, as she benefited from a class drop. He moves up today, but not all the way to level she had been facing at Wdb. Note she was struggling there of late, but did earn \$100,000 last year.

2 FEDERAL ARMY is a real nice trotter that to me is the main threat to #3. Note this guy dominated last race.

5 MUSCLE AVE is a must use on the top three here, considering the recent form.

Race 3 Selections 4-8-3-5

4 BADLANDS BADBOY dropped from Wdb for his last race here and was quite good. He showed some gate speed to grab a pocket trip last race.

8 NOAHS MILL did a fine job from off the pace last race to finish 2nd, and may well overcome post 8 here today. I think he compares well here.

3 GRAND ILLUSION did not have much success at Wdb last race, but he a strong 2nd here in this class recently.

Race 4 Selections 3-5-2-8

3 KINGOFBROKENHEARTS grabbed the early lead last race and was able to put up another solid outing. He works for a hot barn and should be the one to beat here.

5 WINDERMERENIGHTLIFE was not as good last race as some of his previous races, but his overall recent form is good. He should be a top three player here.

2 JDCYRIL had a tough post last race and should be better.

P Mackenzie choice of 1 or 2 – S Coulter 4 or 7.

Race 5 Selections 6-2-7-3

6 DOMINUM DEO has earned only 1 win in his last 36, so this is a reach, but this is not as strong field. He raced well last race and may build on that outing.

2 TENOR DUHARAS is not going well right now, but has some class and has been working from tougher posts lately. Maybe he can respond here today from pp2.

7 THOR SEELSTER was able to finish 3rd in this class last race, but that was from pp4.

Race 6 Selections 2-3-7-1

2 CASIMIR OPPEE was well off form heading into his last race, and yet was able to overcome post 7 and finish 2nd. Now he gets a better post. Maybe he can win today.

3 REGALLY MAGNIFIED is also one that coming off a form reversal with a good last race.

7 LITTLE QUICK is a veteran that may be able to overcome the post. He won in this class here two races ago.

C Kelly choice of 2 or 3 – Travis Henry 4 or 5.

Race 7 Selections 6-5-4-8-2

6 LEAR SEELSTER won in a row before a poor outing last race. He definitely has to be taken seriously as a threat to rebound and start another win streak.

5 MACHLICIOUS now makes a 3rd start off a layoff. He beat this class last race and should be a main threat to my pick.

4 CASIMIR RUMRUNNER has been racing consistently well and has made the top three in all 9 of his races.

A Carroll choice of 5 or 8 – S Coulter 6 or 7.

Race 8 Selections 3-7-2-6

3 ELMO ROCKBOTTOM was dominant in victory here in his last two. This veteran moves up in class today, but still may win again. The barn is rolling and my next pick as drawn poorly.

7 ESCUELA has a lot of back class and drops from Wdb. Note she raced very well from off the pace last race and may well be able to overcome post 7.

2 TAURUS DU PARC rebounded with a nice one last start.

Race 9 Selections 2-1-6-5

2 PINECONE PETE is on a real good roll right now. He can race effectively from on or off the pace and now has a favourable post for a possible front end win.

1 GOLDEN MAN was able to secure a pocket trip last race, but did tail off late and finish 4th. Still, it was a decent outing overall and he did win 4 of 12 last year.

6 CRYSTAL GUMDROP was racing well before a less effective last start. She can rebound and be a top three.

Race 10 Selections 1-3-6-9-2

1 LAUTNER SEELSTER gets a slight nod here over a few others that have a win shot here. The post helped last race and gives him a win shot chance in the finale.

3 GIVE EM BACK has not won in quite a while, but he dropped in class last race and was better.

6 KOULTONS ROCKET moves down from Wdb and did finished 4th there last race while facing tougher.

Travis Henry choice of 4 or 8.
