MOST PROBABLE WINNER

**RACE 1 – 5 SCOTTIES SPIRIT**

GOOD LUCK WITH YOUR SELECTIONS

Race 6 Selections 3-5-6-8

**3 IMSPORTY** has been super sharp in each of his last 4 here, all top two finishes. He can leave well and gets a better post than his last race. I expect him to be real tough to beat today.

**5 TOOT TOOT** moves up a level today, but racing real well right now and has won 9 times in 2018. He won with ease in the Pref 3 class last start.

**6 ARTOFFICIAL FLAVOR** beat this class in back to back races going back 3 and 4 starts ago. He should be a factor today.

Race 1 Selections 5-6-2-3

**5 SCOTTIES SPIRIT** saw her win streak come to an end last race. She drops a level today and should start another win streak. She can leave well or race from off the pace.

**6 YOOUKILIS** did not race well last time out, but that was an anomaly. He is having good year and should rebound well in this spot. She can race from off the pace and post is not a worry.

**2 WILMA C** moves back to a favourable post and overall looks like one that has to use used on the Tri ticket from pp2.

Race 7 Selections 2-3-7-4-1

**2 JESSIEJESSORJESSICA** looks for a 3<sup>rd</sup> straight win today and has a good post. I give her a minor edge over a solid #3 and a #7 that made a break last race. I think she is the logical top one.

**3 ERIN ILSE** shows enough here in her last two that she can be a looked at as main challenger to my first pick.

**7 AGENT THIRTEEN** may have enough talent to beat both of my top two, but the post and last race break maker her iffy.

**W Henry choice of 7 or 9.**

Race 2 Selections 5-6-1-3

**5 ACEFOURTYFOURDON** will get my call here in a race that I think is wide open. He raced strongly here last start and has been good now in each of his last 6.

**6 P L LESTER** dropped to this level two races ago and was quit sharp in that one. He raced faster last race, but so did the others, so he finished 4<sup>th</sup>. He should be a top three today.

**1 MASTER ELEMENT** finally gets a decent post. He has some gate speed and is likely to use it here today.

Race 8 Selections 4-6-7-3

**4 WHO SAID NOT TO** took a solid mark last year in limited action. This 4 year old has made only 10 career starts. He drops well down in class here today and might like this spot better.

**6 SENG NITRO** dropped to this class last race and was a competitive 2<sup>nd</sup>. He may better that by one spot today.

**7 ANDY THE MANAGER** has managed only 1 win in 49 starts, but has made Tri often enough to be a play for the Tri here.

**P Mackenzie choice of 7 or 9.**

Race 3 Selections 1-5-2-3

**1 HIGHLAND BOGART** led a long way in this class last race, before finishing 3<sup>rd</sup>. The top two are not back in this spot today and he again gets a good post. I think he is a big threat today to go all the way on top.

**5 ACEFOURTYFOURXMAN** won here two races ago in 1:57-4, but was not good here last race. Note he gets R. Shep back driving today. He drove him in that win 2 races ago.

**2 ROYAL CANVAS** was a lot better in his last two. Contender!

Race 9 Selections 3-1-2-8

**3 MR BIG W** was solid here last race and was able to grind on the outside for more than half the mile and yet win. I expect him to have a big chance to repeat

**1 OSIRIS BLUE CHIP** closed a ton of ground at Mohawk last race and put up a sharp 27-3 final ¼. He missed 5 weeks before that last race. Now he is back just 10 days later. A win threat off the class drop.

**2 BANK OF DAD** should make the Tri again today.

Race 4 Selections 7-2-8-9

**7 ASA ONAMISSION** was able to overcome an early break last race and win. Note he was 12 lengths back at the ¼ pole. The one negative though is his record of just 2 wins in 34 starts. He did finish a runner up 9 times during that span.

**2 P C HEISENBERG** is likely to make the early lead. He almost wired this class last race.

**8 KRIS ME GOODNIGHT** was able to win from somewhat off the pace last race and may overcome pp8 for a top 3 share.

Race 10 Selections 1-4-3-2

**1 ROYAL COURTIER** beat this class last race and was well in hand at the finish. With another in the same class and the inside post. He is a big threat to repeat.

**4 BRUNOS FROM MARS** had a tougher post last race and shows enough recent form to be a major challenger to my first choice in this one.

**3 RMX ALLSTAR** beat this class two races ago and should not be overlooked here as a win threat.

Race 5 Selections 4-3-5-9

**4 ON CRUISE CONTROL** has beaten this class in two of his last 4 starts. He also finished a close 3<sup>rd</sup> here two back. I give him a slight edge over a couple others that should contend.

**3 APOCALYPSE SEELSTER** had a fine bounce back outing last race and should be a factor for the top three here. He won back to back races in early September.

**5 TWO BEAT** was sharp here in her Ontario debut last race, shipping in from Michigan. The barn sports a strong record.

Race 11 Selections 1-2-4-5-6

**1 BURN OUT HANOVER** shows big speed at Mohawk two races ago, pacing in 1:51-1. With the inside post here for this big class drop start, he should be tough to beat.

**2 HIGHLANDBEACHYCOVE** also has big speed in his recent past and a favourable post. I think he could be the one with the best chance to stop my top pick from winning.

**4 AUDREYS DREAM** has a lot of back class and drops here.

**Travis Henry choice of 3 or 6.**
