MOST PROBABLE WINNER

**RACE 8 – 2 REYS N A ROCKET**

GOOD LUCK WITH YOUR SELECTIONS

Race 6 Selections 6-4-1-9

**6 WINDSUN GAGA** has won 7 of 13 races this year, but faltered badly in her last start. Her previous wins were so impressive to me that I give her a solid shot here today and bouncing right back and winning again.

**4 SAULSBROOK FLASHY** was solid here last race and has the gate speed to possibly be a trip horse again today.

**1 DÉJÀ VU SEELSTER** moved down to this class last race and improved and might build on that one today.

Race 1 Selections 3-2-7-4

**3 SUNSHINEINMYPOCKET** will get my call here in what is a very good field to try and handicap. I her the edge despite a poor last race. She contended with tougher two starts ago.

**2 WILDCAT DELIGHT** was on a great run before her last start. I don't see her putting up back-to-back poor efforts.

**7 TURNING THE TABLE** is very capable of overcome an outside post and winning in this spot.

**A Sorrie choice of 2 or 3.**

Race 7 Selections 4-2-8-9

**4 RANDOMIROGEO** was much better earlier in the year, earning 8 wins. She did win two back, but that was against lesser foes. I think she will come back to her old self today.

**2 SO AWESOME** moves up off a solid win against lesser foes. Note that win put her past the \$500,000 mark.

**8 AMINI** shows good overall ability and is capable of being effective from off the pace. Can grab a share despite pp8.

**C Kelly choice of 1 or 7.**

Race 2 Selections 3-2-1-4

**3 SAULSBROOK JESSIE** has been facing tougher at Mohawk and should respond quite well here. Note she wired this class here just 3 races ago. She has made almost \$2,000 per start this year and her overall speed compares well here.

**2 I WISH YOU WELL** beat up a Pref 3 class in Elora two races ago and was a strong 2<sup>nd</sup> in this class two back. Contender!

**1 SO LONG DARLING** has major speed and was contending against much tougher before her layoff in mid-July.

Race 8 Selections 2-7-1-4

**2 REYS N A ROCKET** has won 10 of 20 starts this year, but her last two at Mohawk were not good. She is well down in class today and should have a very fine chance to get back rolling with a resounding win.

**7 EMBLYNETTE** was reasonably effective while facing much tougher only two races ago. I think she can be a factor here.

**1 LIVELY ROCKET** shows improving form and was a 9-time winner last year. The post can be a help.

Race 3 Selections 6-3-4-2

**6 SHADOW TAIL** was very impressive from off the pace last start and gets the same post in the same class today. We may wind up with the same result. This barn sends them out ready to rock n roll.

**3 TAHUYA BREW** has made the Tri ticket in 4 of his last 5 races. He doesn't have a win this year, but is a Tri threat.

**4 LIVING LARGE** shows consistently good form and is tough to leave off the top three right now.

Race 9 Selections 5-1-6-4

**5 CAPTAINFROCKNROLL** drops well down for this start and is coming off a mile of 1:51-2 at Mohawk last race. This guy shows excellent overall speed and should like this class.

**1 YOURTHEONE** can be really good from an inside post when making the early lead. I expect a big outing here today.

**6 HUGHIE JUNIOR** showed a lot in his debut here last race and could be dangerous with his 2<sup>nd</sup> start here.

**A Sorrie choice of 2, 3 or 5.**

Race 4 Selections 2-4-6-3

**2 SPECTRUM SEELSTER** has superior gate speed and should once again make the early lead. She got caught by one that rocketed by at 3/4s last race. That one is not in here today. I expect this guy to have a strong chance to wire this bunch.

**4 OLD BUCK** bounced back with a strong outing last time out. He should be a main contender again today.

**6 MAY TO FOR** won his last start on a half-mile track and has 5 wins in 13 starts this year. He should be in the hunt.

Race 10 Selections 3-6-5-1

**3 POWER AND GRACE** has been right on top of her game of late, winning in this class in 3 straight. She has now won 4 races in a row. She is clearly the one to beat here.

**6 ESQUIRE** was especially good here last race in overcome post 8 and a parked trip and still finishing 2<sup>nd</sup>.

**5 BASTIANO** has raced very well at this level and has the gate speed that makes him very effective on the half-miler oval.

**S Coulter choice of 1 or 5.**

Race 5 Selections 4-5-8-9

**4 MORAMOPPO** shows returning form. She was good earlier in the year and overall sports a strong record, as does the barn. I think she could be in line for a win today.

**5 BETTIMONRIVER** was racing well on the smaller track before her last start and should like it back here.

**8 WATCH ME DANCE** has the ability to overcome this poor post and grab a share.

**A Sorrie choice of 1 or 6 – c Kelly 5 or 7.**

Race 11 Selections 1-8-6-2

**1 BO DOVER** was impressive last start. He made an early break and actually rallied to get back into the mile before tiring late. If he stays flat here, he should win.

**8 BILLY BAYAMA** is a really good talent and has shown enough to be one that you have to be scared of even from pp8.

**6 BLUE MONK** did not race well here last race, but he was going quite well before that and should rebound here.

**A Sorrie choice of 1 or 3.**
